Where we are

The Camping Village Don Diego is situated in a unique position, on the "Riviera Picena of the Palms", at only 10 meters from the reserved beach on the seafront that joins Grottammare to S. Benedetto del Tronto, situated respectively at 1 km and 1,5 km, both linked up by the new cycle tracks on the seafront.

Grottammare, defined the Pearl of Adriatic, is composed by two main urban wards, the ancient "Old town – Borgo antico" that lies on the hill overlooking the sea, and the "Downtown" that spreads to the southern coast for 4 km.

To reach us

By car: A14 Highway Exit "Grottammare" (2 km), driving on to direction south from the roundabout.

By train: railway station "S. Benedetto del Tronto" (at 2 km), local bus link to "Lungomare – Grottammare" with stop at 50 m from camping(that is situated halfway among S. Benedetto del Tronto and Grottammare centre).
